

The Study's After School Programme

Welcome to The Study's After School Programme, where we support our elementary school families by provide an enriching, exciting and bilingual program that balances homework assistance and creative activities.

The program is offered at the end of every school day until 6pm. The After School Programme is under the supervision of experienced and bilingual educators. Students in the After School Programme are eligible to register for extracurricular activities, which varies throughout the year to include; Mad Science, Hip Hop, Cooking Class, Painting, Babysitting course, Ballet, and much more!
